

# Bowen QLD

Bowen is a very small harbour with no anchoring allowed. It is advisable to call ahead for a pile or marina mooring. Anchoring outside is ok but involves dinghy travel. The North Queensland Cruising Yacht Club Ph 074786 3490 welcomes visitors but rarely do they have berths available. I had a meal at the club and ordered a steak. It was the largest and most enjoyable I have ever had. Bowen Boat Harbour Ph 0747861966 might have a pile berth. The shopping centre is comprehensive with reasonable prices. Most repairs and chandlery are available. If in need of repairs or chandlery the prices are better than Airlie. All facilities for medical, dental and government offices are here. There is a taxi Ph 0747861335 but the city centre is a walk away. The locals are helpful and friendly. Bowen is a nice place to spend a bit of time.
